

Applying for a Queensland Rural Generalist Pathway Intern Position

The Queensland Rural Generalist Pathway (QRGP) intern campaign is administered exclusively by the QRGP team. We offer support and guidance throughout the campaign.

Applications are completed online during the application opening period. The information below is designed to help you to gather supporting documentation and start thinking about your response before applications officially open.

Documents required for application

Note: documents do not need to be signed by a JP

1. A copy of your Australian / New Zealand Passport or evidence of Australian / New Zealand citizenship; or current passport plus evidence of Australian permanent visa and a copy of a Visa Entitlement Verification Online (VEVO); or a copy of your birth certificate and marriage certificate; or a copy of your driver licence.
2. Passport size photo.
3. Curriculum Vitae with two referees (referees must be able to comment on your professional, clinical and interpersonal skills).
4. Details regarding exam results (entered directly into the application).
5. A completed Queensland Health Criminal History Check form (this is available to be completed and uploaded at time of application).
6. Evidence of Hepatitis B immunization. You must provide one of the following; letter from a general practitioner, infection control, or occupational health department stating vaccination details; or copy of vaccine immunity record book; or blood test that shows the required level of immunity (i.e. anti NBs>10IU/L).

QRGP application

The offer of a QRGP intern training position is determined by ranked merit against the written application and at interview. A written response to the following question is required at the time of application.

Question

Why do you want to join the Queensland Rural Generalist Pathway? (*Limit 800 words*)

Queensland Health intern applicant groups

All medical students applying for internship in Australia are allocated an applicant group as outlined below. Applicants in the Group A and Group B categories are eligible to apply for a QRGP intern position.

Applicant Group	Definition
Group A	<p>Medical graduates of Queensland universities who are Australian / New Zealand citizens or Australian permanent residents; and:</p> <ul style="list-style-type: none"> - are seeking an internship commencing in the year immediately following graduation; or - received Review Committee approval from a previous campaign to defer commencement of internship.
Group B	<p>Medical graduates of Australian (interstate) or New Zealand universities who are Australian / New Zealand citizens or Australian permanent residents; or</p> <p>Medical graduates of Queensland universities who are Australian / New Zealand citizens or Australian permanent residents who do not meet the criteria outlined in Group A.</p>
Group C & D	Not eligible to apply for a Queensland Rural Generalist Pathway intern position
Group C	<p>Medical graduates of Australian (Queensland or interstate) or New Zealand universities who are not Australian / New Zealand citizens or Australian permanent residents who:</p> <ul style="list-style-type: none"> - currently hold a visa that allows them to work in Australia; or - will need to obtain a visa to work in Australia.
Group D	<p>Medical graduates of Australian university campuses outside of Australia accredited by the Australian Medical Council (AMC); or</p> <p>Medical graduates of international universities who have not completed an internship in Australia or another country and have either:</p> <ul style="list-style-type: none"> - obtained the AMC certificate (and are eligible for provisional registration) - successfully completed the AMC multiple choice questionnaire (MCQ) (and are eligible for limited registration).
