## Step 11: Referees

### Referees

\* Denotes a mandatory question

Applicants **must** review the [Referee reports information](#)  prior to completing referee details below.

Referee/s should be:

- current immediate/supervisor and current consultant, staff specialist, clinical director, director of medical services etc.
- able to comment on your ability, capacity / motivation and rapport / cooperation
- able to comment on your general character and performance

Ensure you have referee approval prior to proceeding. It is **your responsibility** reports are submitted in a timely manner. Facilities may not consider your application if both reports are not attached to your application.

**Amendments to referee email addresses will delete any reports previously uploaded. These reports cannot be retrieved and your referee/s will be asked to re-submit the reference.**

#### Referee Details

| Referee 1   |   |
|---|---|
| Title:*   | <input type="text"/>                                  |
| First Name:*  | <input type="text"/>                                  |
| Last Name:*   | <input type="text"/>                                  |
| Position:*  | <input type="text"/>                                  |
| Health Care Facility/University:*                               | <input type="text"/>                                  |
| Telephone:<br>(including area code/country code if applicable)* | <input type="text"/>                                  |
| Country:*   | <input type="text"/>                                  |
| Email Address:<br>(Organisational email address is preferred)*  | <input type="text"/>                                  |
| Is this your immediate supervisor?*                             | <input type="radio"/> No<br><input type="radio"/> Yes |

Your referees need to be aware that they need to complete the referee report as soon as possible (**before AST applications close on 10 May 2019**). Do not nominate referees that will be unable to complete the report prior to the application closing date.

A referee report will be sent to the email addresses you nominate here as soon as you complete this section of the application. Please ensure your referees are medical doctors and are aware of the short timeframe required to complete and return your report.

Incomplete or late referee reports **will not be accepted**, and will be considered as an incomplete application.

## Step 12: Application for Declaration

### Application Form Assistance

\* Denotes a mandatory question

Did someone assist you to complete this application? \*

- No  
 Yes

I declare that the information I have provided on this form is accurate and complete at the time of application: \*

Agree

**Incomplete or late applications will not be accepted.**
