Are you applying for a **Rural Advanced Skills Training position** in the disciplines of anaesthetics, obstetrics and gynaecology, paediatrics, internal medicine or mental health?
For further details on eligibility for a Rural Advanced Skills Training position and how to apply, please visit the [Queensland Rural AST Pathway](#) website.

*
 Yes Select 'YES'
 No

Aboriginal and Torres Strait Islander AST Initiative

The Queensland Rural Generalist Pathway (QRGP) has implemented the Aboriginal and Torres Strait Islander AST Initiative. The purpose of this initiative is to increase the number of Aboriginal and /or Torres Strait Islander medical officers delivering appropriate advanced skills services in rural Queensland communities.

Aboriginal and Torres Strait Islander AST Initiative

Eligible applicants can apply to the Aboriginal and Torres Strait Islander AST Initiative to be presented to their first preferred hospital. Please note, participation in this initiative is voluntary and the information is treated confidentially.

For details on what supporting documentation is to be provided and further information, please check the [Aboriginal and Torres Strait Islander Initiative Guide](#).

To apply, please select 'Yes' to the initiative question and familiarise yourself with the key requirements.

Are you applying for the Aboriginal and Torres Strait Islander AST Initiative? *

Yes Select 'YES'
 No

(If these are individual documents, please collate and submit as one document [max 5MB])

Note: This is not required if you have obtained fellowship.

No file selected.

Your term report document must not exceed 5MB. For individual pages, scan pages together to combine into one document.

Main RMO Campaign Step 10: Preferences

Preferences

* Denotes a mandatory question

Use the [Available positions search tool](#) to search for vacancies. From the 'search results' complete your preferences below.

New and current trainees must refer to the [Specialty training recruitment](#) webpage on 'how to preference.'

Preferences two to five should be used for positions you are interested in, **if you are unsuccessful** in obtaining your first preference position.

What is your first preferred facility? *

College/Pathway/Network (Determined)

What is your first preferred position? *

Principal House Officer

What is your first preferred Specialty? *

Anaesthesia

What is your first preferred Sub-Specialty? *

Advanced Skills Training RG (Anaes)

Facility: **College/Pathway/Network (Determined)**
Position: **Principal House Officer**
Specialty: **Your discipline**
Sub-specialty: **Advanced Skills Training RG**

STEP 11: REFEREES

Referees

* Denotes a mandatory question

Prior to completing the Referee Details section below, please review the [Referee information](#) on the website.

Referee/s should be:

- current immediate/supervisor and current consultant, staff specialist, clinical director, director of medical services etc.
- able to comment on your ability, capacity / motivation and rapport / cooperation
- able to comment on your general character and performance

Ensure you have **approval** from your referee prior to proceeding. It is **your responsibility** to ensure reports are submitted in a timely manner. Facilities may not consider your application if both reports are not attached to your application.

Important: Amendments to referee email addresses will delete any reports previously uploaded. These reports cannot be retrieved and your referee/s will need to reference again.

Referee Details

Referee 1	
Title:*	<input type="text"/>
First Name:*	<input type="text"/>

Your referees need to be aware that they need to complete the referee report as soon as possible (**before AST applications close**). Do not nominate referees that will be unable to complete the report prior to the application closing date. A referee report will be sent to the email addresses you nominate here as soon as you complete this section of the application.

Unsuccessful AST Applicants

If you are unsuccessful at obtaining an AST position and you would like to apply to other vacancies via the **Main RMO campaign** which is opening **Monday, 31 May 2021**, you will need to amend your current AST application to an RMO Campaign application.

Access your current application via the application portal, click on 'Login' and enter your login details. You will need to amend the campaign you are applying for to:

Please specify the campaign you are applying for: *

For all information relating to the RMO Campaign, please visit the RMO Campaign website <https://www.health.qld.gov.au/rmo> and review the information outlined within 'About the campaign' hyperlink. Please see 'Campaign dates' and 'Position search tool' on the RMO website for further information.
