

Prevocational Training Hospital Guide

Graduating medical students who aspire to a career in rural medicine can access high quality foundation training delivered by Rural Generalist training hospitals to ensure they are well equipped to develop the diverse and valued skills needed to care for remote, rural and regional Queenslanders.

QRGP trainees have the opportunity to explore a wide variety of clinical training and are guaranteed access to term experience in paediatrics, obstetrics and anaesthetics in addition to mandatory core terms.

Queensland Rural Generalist Pathway (QRGP) Interns and Junior House Officers (JHOs) can undertake their prevocational training at one of the following Rural Generalist training hospitals:

Rural Generalist Prevocational training hospital

Bundaberg Hospital

Mackay Base Hospital

Sunshine Coast University Hospital
