Select Queensland Rural Advanced Skills Training

Aboriginal and Torres Strait Islander AST Initiative

The QRGF has implemented the Aboriginal and Torres Strait Islander AST Initiative. The purpose of this initiative is to increase the number of Aboriginal and /or Torres Strait Islander medical officers delivering appropriate advanced skills services in rural Queensland communities.

To apply, please select 'Yes' to the initiative question and familiarise yourself with the key requirements.

Aboriginal and Torres Strait Islander AST Initiative

Eligible applicants can apply to the Aboriginal and Torres Strait Islander AST Initiative to be presented to their first preferred hospital. Please note, participation in this initiative is voluntary and the information is treated confidentially.

For details on what supporting documentation is to be provided and further information, please check the [Aboriginal and Torres Strait Islander Initiative Guide](#) .

What is your first preferred facility? *

What is your first preferred position status? *

What is your first preferred position? *

What is your first preferred Specialty? *

What is your first preferred Sub-Specialty? *

Facility:
College/Pathway/Network (Determined)
Position Status: Must Select Full Time
Position: Principal House Officer
Specialty: Your discipline
Sub-specialty: Advanced Skills Training RG

Referees

Referees

* Denotes a mandatory question

Prior to completing the Referee Details section below, please review the [Referee information](#) on the website.

Referee/s should be:

- current immediate/supervisor and current consultant, staff specialist, clinical director, director of medical services etc.
- able to comment on your ability, capacity / motivation and rapport / cooperation
- able to comment on your general character and performance

Ensure you have **approval** from your referee prior to proceeding. It is **your** responsibility to ensure reports are submitted in a timely manner. Facilities may not consider your application if both reports are not attached to your application.

Important: Amendments to referee email addresses will delete any reports uploaded. These reports cannot be retrieved and your referee/s will need to provide reference again.

Referee Details

Referee 1	
Title:*	<input type="text"/>
First Name:*	<input type="text"/>

Your referees need to be aware that they are required to complete the referee report as soon as possible; before AST applications close. Do not nominate referees that will be unable to complete the report prior to the application closing date. A referee report will be sent to the email addresses you nominate here as soon as you complete this section of the application.

Unsuccessful AST Applicants

If you are unsuccessful at obtaining an AST position and you would like to apply to other vacancies via the **Main RMO campaign** which is opening **Monday, 5 June 2023**, you will need to amend your current AST application to an RMO Campaign application.

Access your current application via the application portal, click on 'Login' and enter your login details. You will need to amend the campaign you are applying for to:
