

Rural Generalist Medicine Postgraduate Entry Prevocational Certification Requirements

Assessment Item	Evidence required	Responsible party	✓
General Registration with the Medical Board of Australia	Evidence of registration with the Medical Board of Australia.	QRGP team to source from Medical Board of Australia website.	
Satisfactory completion of all Medical Board of Australia and Rural Generalist terms in both PGY1 and 2 (<i>see below</i>) Mandated terms include general medicine, surgery, emergency medicine, paediatrics*, anaesthetics* and obstetrics & gynaecology* * <i>ten weeks preferred; five weeks accepted</i> <i>note: five-week terms do not meet ACRRM completion of training requirements</i>	Provision of all PGY1 and 2 term reports via email (scanned copy) or hard copy - to be reviewed by Rural Generalist Training Advisor (RGTA). Training Plan to be established in consultation with your RGTA to address meeting term requirements for prevocational certification. <i>Note: QRGP is not responsible for negotiating access to RG terms.</i>	Trainee to provide completed reports to QRGP team via email: rural_generalist@health.qld.gov.au	
Satisfactory completion of 80% (50 procedures) of the QRGP logbook	Your RGTA will discuss your Logbook progress at your Career Planning Interview. Your QRGP Logbook is completed electronically in Excel.	Trainee to provide completed Logbook to the QRGP team via email: rural_generalist@health.qld.gov.au	
PGY1 and 2 - Satisfactory completion of a Rural Generalist Trainee Workshop or PGY3 - Satisfactory completion of Rural Generalist Vocational Preparation Workshop. Cost \$330 <i>Note: Travel and accommodation is paid for by the QRGP. Leave to attend must be arranged by you in consultation with employing facility.</i>	Signed attendance register provided by workshop coordinator. <i>Note: Full payment must be received prior to the commencement of the workshop</i> <i>Your attendance at other clinical skills workshops may be considered towards meeting the prevocational requirements.</i>	Workshop coordinator. <i>Trainee</i>	
Completion of the QRGP Community Preparation module	Successful completion of module. The team will be automatically notified upon completion via the iLearn system. Contact the team for details on how to enrol in the module.	QRGP to obtain from iLearn.	
Assessment of personal and professional readiness (<i>including clinical confidence and capability; and appropriate advanced skill interest</i>) to commence practice in a rural area	Assessed by RGTA at Career Planning interviews.	RGTA.	

Failure to provide evidence of completion of the above items by the deadline nominated will deem a trainee ineligible to be considered for Rural Generalist Medicine Prevocational Certification assessment.

Trainees should also ensure they:

- Have considered, and sought advice from, their Rural Generalist Training Advisor (RGTA) regarding when to apply for general practice training with the Royal Australian College of General Practitioners (RACGP) or Australian College of Rural and Remote Medicine (ACRRM).
- Advise the QRGP team of any change to personal contact details via: rural_generalist@health.qld.gov.au
- Contact your RGTA if you have any concerns with regards to hospital terms or any other issues requiring advice and support.
- Maintain consistent contact with the QRGP team regarding your career intentions.
- Consider your preferred AST discipline and ensure you are ready to apply for it by April of the year prior to intended commencement of AST. The QRGP team will provide more information and reminders closer to the time.
